

Jason Dietrich is a Section Chief in the Research, Markets and Regulations Division at the Consumer Financial Protection Bureau. He has been at the CFPB since October, 2012. Prior to this he was a Senior Economist at the FRB and Fair Lending Lead Expert at the OCC. Jason's primary responsibility is to conduct statistical analyses of a variety of fair lending risks including underwriting, pricing, redlining and steering. In addition, he conducts independent research on methodological issues related to fair lending analyses. He has published articles in *The Journal of Applied Statistics*, *Journal of Real Estate Finance and Economics*, and *The Journal of Economic and Social Measurement*. Jason received his Ph.D. in Economics from North Carolina at Chapel Hill in 1999.
