

Troy Garris is a founder and managing member of Garris Horn LLP. Troy is a business owner's lawyer, priding himself on a results-oriented, pragmatic approach to addressing legal issues in the financial services world.

Troy deals with federal and state compliance, enforcement defense, company formation, and mergers and acquisitions (M&A). In these areas, Troy represents independent mortgage bankers (IMBs), community banks, lenders, servicers, title companies, secondary market investors, and equity funds.

Troy is active in the industry, including being significantly involved with industry associations and currently is a board member Texas Mortgage Bankers Association. In 2007, the Mortgage Bankers Association named him to the Future Leader's program.
